### **Pioneering Parishes**

Pioneers are people called by God, who are the first to see and creatively respond to the Holy Spirit's initiatives with those outside the church; gathering others around them as they seek to establish new contextual Christian community.

Jonny Baker and Tina Hodgett of CMS will be speaking to us about Pioneering Parishes which is a training organisation that offers regular parish churches tools, skills, postures and practices to help shift the energy of the church outwards to make spiritual care possible for a wider range of people. It's not a one-size-fits-all approach, but an invitation to cultivate an environment in which new things can thrive in an appropriate way for your context and community.
